NOTICE FOR INVITING TENDER

The Delhi Commission for Women is working for the cause of women in distress residing in Delhi. A large number of news which appears daily on the news channels are required to be monitored meticulously. Such monitoring is necessary because the Commission, in exercise of its mandate, is often required to take immediate cognizance on various news updates related to women, by dispatching its mobile helpline, issuing notices etc. Failure to respond, or delayed responses can often make large difference in the lives of the women in question.

For this purpose the Commission desires to engage a firm/agency for monitoring of all the news channels and prepare the documents viz. in the hard/soft form on all the women related news for the perusal of the Commission. The applications are invited from reputed firms/agencies for the said purpose and inform the Commission on daily basis for taking further necessary action. The interested agencies may give their applications indicating their past experience in the desired field along with bank guarantee of Rs. 25,000/- latest by 14.7.2016. The firm should be registered with the Service Tax/VAT/Income Tax etc, as applicable

Preference will be given to the agencies who are well versed with the media/channel reports appearing in the news.
